

Figure 1

Figure 1 is a cross-sectional view of a circular device, likely a turbine or engine component. The device features a central hub (35) surrounded by a ring of blades (31). The blades are mounted on a central shaft (36). The outer casing (12) is shown with a cross-section (13) indicating a specific material or layer. The diagram is labeled with various numbers: 12, 13, 22, 31, 32, 33, 34, 35, and 36.
